# VisualSoft Suite Training Booking Request

We have updated our training contacts database to comply with the European GDPR regulations. You can find out more about those regulations at <https://eugdpr.org/>.

VisualSoft has published a Privacy Policy which details how and why we may hold your information. That Privacy Policy is available to read [here](#).

We can only save and use your information (including your name and email address) if you actively consent to us doing so. If you do not provide your consent, your details will not be added to our database and we will not be able to contact you about future planned VisualSoft training courses.

If you consent to our continued use of your contact details, please return a completed copy of this form to [visualsoft.training@f-e-t.com](mailto:visualsoft.training@f-e-t.com).
